**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
GREAT FALLS DIVISION**

UNITED STATES OF AMERICA,	**CR-06-88-BMM**
Plaintiff,	
vs.	
	ORDER
CHASE CHRISTOPHER DOLAN,	
Defendant.	

United States Magistrate Judge John Johnston entered Findings and Recommendations in this matter on August 11, 2017. (Doc. 104.) Neither party filed objections. When a party makes no objections, the Court need not review *de novo* the proposed Findings and Recommendations. *Thomas v. Arn*, 474 U.S. 140, 153-52 (1986). This Court will review Judge Johnston's Findings and Recommendations, however, for clear error. *McDonnell Douglas Corp. v. Commodore Bus. Mach., Inc.*, 656 F.2d 1309, 1313 (9th Cir. 1981).

Judge Johnston conducted a revocation hearing on July 10, 2017. (Doc. 104 at 2.) Dolan admitted that he violated the conditions of his supervised release. *Id.* at 3. The violations prove serious and warrant revocation of Dolan's supervised release. Judge Johnston has recommended that the Court revoke Dolan's

1

supervised release and commit Dolan to the custody of the Bureau of Prisons for eight months. *Id.* Judge Johnston further has recommended that 24 months of supervised release follow his custody period, and that the supervised release include substance abuse treatment. *Id.*

The Court finds no clear error in Judge Johnston's Findings and Recommendations. Dolan's violations of his conditions represent a serious breach of the Court's trust. A sentence custody of eight months, followed by 24 months supervised release, represents a sufficient, but not greater than necessary sentence.

IT IS ORDERED that Judge Johnston's Findings and Recommendations (Doc. 104) is ADOPTED IN FULL.

IT IS FURTHER ORDERED that Defendant Chase Christoper Dolan be sentenced to custody for eight months, followed by 24 months supervised release to include substance abuse treatment.

DATED this 28th day of August, 2017.

Brian Morris
United States District Court Judge
